

## God Is Bigger Than Your Giants

Isaiah 41:13

*"For I am the Lord your God who takes hold of your right hand and says to you, Do not fear; I will help you."*

Nothing is too big for God to handle! If we look at **giant** problems and impossible situations from God's perspective, we realize that God not only fights for us, but within us.

David's giant, Goliath, was a 9 foot Philistine warrior who wore armor weighing over 125 pounds and carried a 15 pound spear. He had no idea that he was up against an "all-powerful God" standing right in front of him as he laughed at a small shepherd boy wearing no armor and holding a simple rock and sling.

Little did Goliath know that David was all suited up with powerful confidence. David passionately loved God and he knew he would not be standing facing this giant alone. He had already prayed for God's protection days and nights before the spectacle would even begin. He was ready, fired up and not afraid of the outcome, nor was he going to be intimidated by this huge giant almost twice his size.

Life will put all kinds of giants in front of you, but don't let them overcome you. Turn to the ONE who knows how to crush them into sand and even make them disappear. His name is Jesus.

If you are facing a giant right now and you don't know what to do, please turn your heart to Jesus and pray this prayer with me.

*Dear Jesus,  
You gave David the confidence and strength to overcome a powerful  
giant. You know all that troubles me in my life which so concern me.  
Would you please crush this giant that I cannot crush by myself? I need  
you. In your holy name, Jesus, I pray. Amen*
