

## It Only Takes One Step Forward

Revelation 3:20

*“Behold, I stand at the door and knock. If any man hears my voice, and opens the door, I will come in and sup with him, and him with me.”*

Are you watching the news? Young lives are spiraling out of control. Young addicts are dying from over doses of opioids along with the huge influx of heroine rapidly coming over our borders. Millions of people flood into rehab centers searching to detox from their habits, but fail to recover going in and out of treatment centers time and time again.

Some addiction programs or even twelve step programs can temporarily rehabilitate a person, but it only takes One Step Forward to find the arms of Jesus, who died to set us ALL free. Only Jesus can permanently heal, deliver and transform a life that has been broken and bound to a life of freedom and peace.

Read the words from John 8:36:

*“God’s way will bring deliverance; man’s way will keep in bondage; those that have been bought with the precious blood of Jesus have been set free. Therefore if the Son makes you free, you shall be free indeed.”*

If ever we have needed to pray for the deliverance and salvation of our young people in America to accept Jesus as their Lord and Savior, it is NOW! Corporate prayer is powerful and it can change the world. Would you please pray out loud in one accord with me?

Dear Lord Jesus,

There is such a devastating moral break down in our country and in the world. Lord, we need you now more than ever to stop the drugs coming into our country which are literally killing our children and adults. Oh, Lord, please help our president to do everything he can to put an end to this self-debilitating abuse. We pray for each and every person who is addicted to any and all drugs that by your saving grace you will save them, heal them and set them free! In Jesus name together we pray, Amen

God Bless your day  
Jesus loves you
