

Seek Perfect Vision

When you're looking for the answer or when everything seems uncertain or unclear, there's someone you can turn to who will give you the perfect insight to solve your problem. His name is Jesus. He will give you wisdom and insight which He will give you by turning to His word.

When you take the time to read the word of God, your words and actions will express the character of Jesus which is love, *joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control*. These are referred to as "The Fruits of The Spirit." Practicing these fruits daily will strengthen you in every area of your life.

There is a beautiful hymn called, "Turn Your Eyes Upon Jesus". The writer encourages us to *look full in His wonderful face, and the things of earth will grow strangely dim, in the light of His glory and grace*. When we take our eyes off of whatever is troubling us, the problem begins to seem much smaller, even insignificant, because we have begun to see things in a clearer light, in the light of Christ.

If you don't know Jesus personally, would you pray this prayer:

Lord Jesus, I want to have clear vision which comes from reading your word.

I want to have your character inside of me. I know that YOU have all the answers I need. Please forgive me of my sins and help me to stay close to you all the days of my life. In Jesus name I pray, Amen.

My friend, remember that the answers to any problem no matter how large or small can be found when you take your eyes off of your problem and keep your eyes on the Lord Jesus.

“That Christ may dwell in your hearts through faith; that you, being rooted and grounded in love, may comprehend with all the saints what is the width and length and depth and height-to know the love of Christ which passes knowledge; that you may be filled with all the fullness of God.”
Ephesians 3:17-19

God Bless Your Day
Jesus Loves You
